THE BURNED CAR SHOPS.

Ald. Green reported having had an interview with Mr. Stiff, of the G. T. R., respecting the rebuilding of the shops, and he advised that the city do not urge the matter upon the company now, as, if it were deferred a month or two, the prospects for their being rebuilt would be much better. They expected a revival of business during the winter and towards spring.

Ald. Cowan presented the Engineer's report on the case of Miss Phillips, who petitioned against payment of double frontage sewer rate at corner of Wellington and Simcoe streets. The report showed that she was only liable for Wellington street rate. On motion of Ald. Taylor and Green she was relieved of payment of the Simcoe street rate.

Ald. Scarrow (who had now arrived) reported concerning the $1,051 31 account of Stevens, Turner & Burns, referred to in No. 1 report, that all the members from No. 5 ward had certified to its correctness. Payment ordered on motion of Ald. Scarrow and Taylor.
